

Playschool Program Overview

***Program may need to be modified to fit in accordance to COVID-19 regulations as recommended by Alberta Child Care Services**

My goal for the Playschool program is to develop a program that is conducive to learning in a positive, fun-filled atmosphere. Children will learn respect, responsibility, kindness and cooperation throughout a daily routine and positive role-modeling.

I believe that a Playschool should be a child-based centre where children can feel safe and successful through activities and experiences. My goal is to provide children a chance to express their individuality through a variety of settings. We will treat each other with respect and kindness as well as celebrate our uniqueness.

As an education-based Playschool, I will strive to achieve specific objectives. These objectives include:

Social

- Be responsible for personal belongings
- Be cooperative and willing to share with others
- Be courteous, prompt, friendly and helpful
- Be accepting of others

Emotional

- To adjust to a new group surrounding away from home
- Overcome shyness and make new friends
- Control and deal with feelings of fear and frustration
- Have a feeling of self-worth and ability to succeed

Physical

- Develop fine and gross motor skills through play and daily activities
- Encourage healthy lifestyle choices in eating habits and physical activity

Intellectual

- Develop language and listening skills
- Increase ability to make decisions

- Learn to recognize and write own name
- Learn shapes and patterns
- Learn colours
- Learn order of days of the week
- Learn the months of the year
- Learn to recognize and write letters and numbers

Creativity

- Develop use of imagination
- Express themselves through songs, dance and crafts

Objectives will be met through structured play and activities throughout the day.

A daily routine will be established to help with time-management as well as to help the children have time to explore different activities and centers while getting used to "what comes next".

Being involved in multiple classroom settings over the years, I have learned that not everything will go as planned. Obviously things will be a little different each day and with each class but I truly believe having a sense of "what comes next" really helps to keep the children focused as well as excited for the next transition. I have developed a daily routine which would include the following:

Welcome and Circle Time

- With parental assistance, children will find their name tag as well as flip their name tag on our attendance board
- Children will have some free time at centers until everyone has arrived
- When class begins, children will meet in a circle to answer a question and say good morning or good afternoon, discuss our attendance board, introduce the "Hoppy Helper", calendar, and daily weather with "Weather Panda" or "Weather Frog"

Printing

- Children will practice holding the pencil using 3 point grasp and begin forming the letter of the week

Gym Time

- Gross motor play indoors or out (games, dancing, free play...)

Bathroom Break

- Use the restrooms if necessary but all children will be required to wash their hands

Snack Time

- Everyone will be able to eat a snack while socializing with friends at their table

Library

- As children finish their snack they will be invited to quietly look at books.
- Story read aloud to children

Craft Time

- Incorporation of different fine motor skills such as colouring, painting, cutting and pasting while expressing our individual creativity. Craft may be based on a specific book read to the children during Library Time.

Good Bye and Dismissal

- Show and tell
- Group songs and individual dismissal as parents arrive

Welcome and free play 9:00/12:45

Circle Time 9:30/1:15

- ✓ Attendance, who's missing?
- ✓ Introduce "Hoppy Helper"
- ✓ Weather Panda/Frog
- ✓ Hoppy Helper helps with calendar: month
- ✓ Sing Days of the Week song, Hoppy Helper points to days of the week. Discuss what day it was yesterday, today and tomorrow.
- ✓ Hoppy Helper points to numbers on calendar as class counts up to current day. Pattern will be discussed.
- ✓ Discuss what the letter of the week is, do we see any other same letters on our nametags?
- ✓ Complete a worksheet dealing with letter of the day

Gym 10:00/1:45

- ✓ Gross motor skills either indoors in gym or outside in enclosed playground

Washroom Break 10:20/2:05

- ✓ Use restroom if necessary but all children need to wash their hands for snack time.

Snack Time 10:30/2:15

- ✓ Everyone eats their snack while we discuss what food group the snack belongs to and general quiet talk

Library 10:45/2:30

- ✓ Children quietly look at books while classmates finish their snack.
- ✓ Book is read aloud to children.
- ✓ Demonstrate group craft.

Group Craft 11:00/2:45

- ✓ Fine motor skills such as colouring, cutting, painting, etc...
- ✓ Children will create their own craft according to daily plan

Circle Time 11:35/3:15

- ✓ Hoppy Helper shows the class his/her "Show and Tell"
- ✓ Sing song related to daily theme, or regular good bye song.
- ✓ Give reminders of upcoming special days and letter of the week

Good Bye and Dismissal 11:45/3:30

- ✓ The teacher will come and talk to the parents about daily happenings and upcoming events
- ✓ Dismissal will be done individually as parents arrive
